Thank you to the Rev. John Nesbitt for bringing us the Word of God this morning as Pastor Randy and De vacation in Newport, Rhode Island.

We welcome our guests and hope you find the people of Zion to be friendly and the worship meaningful. Guest booklets containing helpful information about Zion are available on the table in the lobby.

The Zion Welcome Committee is faithfully at work each Sunday morning welcoming and assisting members and guests. They're the folks wearing big purple flowers. If you need assistance before or during worship service, they'll do their best to help – just ask!
